## EMPLOYMENT CERTIFICATE

Daniel Mroczka was employed at Dynatrace Austria GmbH, Linz, from March 1<sup>st</sup>, 2021 until January 31<sup>st</sup>, 2023.

The responsibilities as Senior Software Engineer included the following tasks:

- Software Development
- Software Design
- Bugfixing
- Selfmon Dashboard
- EP-Guild Team member

Mr. Mroczka was very committed and always contributed his own ideas to solutions. He was very capable of working independently and could be entrusted with complex projects at any time.

We found Mr. Mroczka to be an extremely conscientious and attentive employee. He was highly systematic, well-prepared, and organized, in addition to being very decisive.

Mr. Mroczka's approach to his work was exemplified by a high degree of assertiveness, trustworthiness, and reliability. He fit in quickly with the team and he was held in high esteem by his colleagues due to his cooperative, friendly, and courteous manner.

Overall, Mr. Mroczka's performance and behavior always received our highest approval.

We wish him all the best for his professional and personal future.
