Reference Letter

To whom it may concern:

Mr Daniel Mroczka was employed as a Senior Java Developer at our company from January 2015 to October 2016. He was a team member of JAbacus project - Bookkeeping software, one of our leading products.

His main responsibilities included:

- Design and implementation new features.
- Analysis and investigation reported issues.
- Deployment of application
- Maintenance server infrast.
- Writing documentation
- Contact with clients

Since the beginning of our collaboration I know him as a very dedicated person, who worked on several challenging tasks which he always resolved and completed.

I always found Mr Mroczka to be reliable, punctual, hardworking and loyal to me and my company. He was also an excellent team member who worked well with others and shared knowledge among developers. We can attest that Mr Mroczka is an employee capable of working in a team.

Mr Mroczka has done an excellent job and I would highly recommend him in any job he may be applying for, as I am confident he will bring the same level of commitment, devotion and excellence he brought to my company.

Mr Mroczka is leaving our company at his own request. We wish him all the best and success in his future work.
